Dear Commodore Nation,

From the first tackle of football practice to the final pitch of baseball season—may it always be in Omaha—Vanderbilt student-athletes remind us of all that is great about college athletics. Coming together to make each other better, these young people learn lifelong lessons. Bringing our community together, they create memories that last us a lifetime.

I'm excited for what's ahead. I'm excited to see us dare to grow—as individuals, teams and as Vanderbilt Athletics. By working together to create the conditions necessary to compete at the highest levels in everything we do, we honor Vanderbilt's mission. With your support, Vandy United's ongoing efforts are coming to life, from FirstBank Stadium premium seating to our basketball practice facility, Vanderbilt Legends Club team facilities and so much more. And with your support, Anchor Impact is empowering and uplifting student-athletes in the NIL marketplace, setting a standard for holistic development.

We know what is possible here. We know what we're capable of achieving. This past year, Shea Ralph's women's basketball team returned to the NCAA Tournament, won a thrilling opening round game and reinvigorated Memorial Magic. Tim Corbin's VandyBoys and Scott Limbaugh's men's golfers spent much of their respective seasons ranked among the best in the country.

We marveled at individual excellence, from golfer Gordon Sargent winning the prestigious McCormack Medal to swimmer Kailia Utley participating in the NCAA Championships and track & field's Veronica Fraley winning the NCAA discus title.

When I interviewed men's basketball head coach Mark Byington during our coaching search, he told me Vanderbilt fits who he is. That stuck with me. We're proudly different. Talented people can find success many places. At Vanderbilt, they can be their best. By supporting Vandy United, you help make that possible. Your generosity and abiding affection for this special university shape a student-athlete experience unlike any in college sports. From Hawkins Field enhancements to the Lummis Family Tennis Center, volleyball's first match in 2025 and more to come, we're just getting started on being the best we can be.

On behalf of more than 400 student-athletes, as well as all those who will follow in their footsteps, thank you for your continued support of Vanderbilt Athletics.

Anchor Down!

**FOOTBALL:** Punter Matthew Hayball and long snapper Wesley Schelling earned spots on the coaches' All-SEC team, giving Vandy multiple all-conference picks for the first time since 2016. Schelling is the only specialist in Vanderbilt history to earn All-SEC honors from the coaches in multiple seasons.

**MEN'S GOLF:** Team advanced to match play at the NCAA Championships for the seventh time in program history. Gordon Sargent earned a PGA Tour Card and became the first three-time first-team All-American in program history. Matthew Riedel, William Moll and Cole Sherwood all finished in the top 10 of PGA Tour U.

**WOMEN'S GOLF:** Team punched their ticket to the NCAA Championships and earned its best NCAA finish since 2014. Coach Greg Allen earned a spot on the WGCA Coach of the Year watch list.

# BLACK & GOLD CLUB

The **Black & Gold Club** is Vanderbilt's athletics alumni network open to all former student-athletes, spirit squad, student managers and student training staff. We seek to honor our alumni for their exceptional collegiate careers and dedication to Vanderbilt Athletics, while also providing unique opportunities to engage with their extended Black and Gold family.

The Black & Gold Club will share regular Athletics updates and host several events and programs throughout the year, including team reunions, alumni socials, student-athlete alumni networking, career development, family days and more. But most importantly, understanding that our alumni are located all over the world, they will always have a home here at Vanderbilt. We encourage our Athletics alumni to contact us if they are looking to obtain tickets to a game, planning a trip to campus and would like to visit practice or tour the facilities, or seeking to reconnect with a former teammate, coach or the university.

# GIVING OPPORTUNITIES

## ATHLETICS GENERAL FUND

Gifts to the Athletics General Fund provide scholarship support and other resources to our more than 400 student-athletes, allowing them to excel in the classroom, on their field of play and in the community.

## EXCELLENCE FUNDS

Gifts can be made to sport-specific excellence funds to help provide resources and opportunities that fall outside the sport operating budgets. As of July 1, 2021, additional sport-specific benefits are no longer associated with donations to excellence funds. Please refer to the chart on page 7 for details on NCC membership benefits. Pledge Challenges are available for football, women’s basketball, men’s basketball and baseball. Donors can make pledges per sport-specific statistics, and donations will be collected at the end of the season.

## COMMODORE FLIGHT PROGRAM

Through a gift of time on your personal plane, flight hours in a shared program, or resources to purchase flight time, you make an immediate impact on Vanderbilt Athletics by allowing coaches more flexibility to secure recruiting visits and helping student-athletes attend tournaments and long-distance games with minimized disruption to their academic schedules. [vu.edu/takeflight](http://vu.edu/takeflight).

## VANDY UNITED

The largest undertaking of its kind in school history, Vandy United represents a bold step for Vanderbilt Athletics.

The Vandy United Fund supports major facilities and operational enhancements. Vandy United will elevate each sport at Vanderbilt, transform the athletics footprint on campus, build the best student-athlete experience in college sports and create an immersive game day experience for Commodore Nation.

## ENDOWED SCHOLARSHIPS

Endowed scholarships are a powerful tool for recruiting top talent, a reflection of our integrity and a commitment to our student-athletes that Vanderbilt supports them on and off the field by offering them the foundation for a lifetime of success.

## PLANNED GIVING

# WAYS TO GIVE

## IRA CHARITABLE ROLLOVER

Donors aged 70 ½ or older may give up to \$100,000 directly from an IRA to qualified charities without paying federal income tax on the distribution. Donors may choose to make a qualified charitable distribution from an IRA to make a gift to support Vanderbilt or to fulfill an existing pledge.

## DONOR-ADVISED FUND

Immediate tax deductions and tax-free growth on the contribution are often key benefits for those making gifts through a donor-advised fund. DAF Direct enables donors to recommend grants to Vanderbilt University, directly from the DAF (as long as the DAF’s sponsoring organization is participating).

## MATCHING GIFTS

Many employers and companies will match their employees’ contributions. If your company is one of those, your generosity to Vanderbilt could be doubled or even tripled. To find out if your company has a matching gift program and to find out more about this option, visit [vu.edu/matchinggift](http://vu.edu/matchinggift).

## PLANNED GIFTS

Planned gifts are a wonderful way to show your support of Vanderbilt’s mission while accommodating your own personal, financial, estate planning and philanthropic goals.

## STOCKS AND SECURITIES

Gifts of appreciated stocks, bonds or mutual fund shares can be a tax-advantaged way to provide support for Vanderbilt.
